

Human Rights Division

Monthly Report

March 2018

MINUSCA Human Rights Division (HRD) recorded 234 new incidents of violations/abuses of international human rights law and breaches of international humanitarian law affecting 381 victims, including 195 men, 55 women, 58 children (18 boys, 28 girls and 12 minors of unknown age and sex) and 73 unidentified victims. These figures represent a 12 percent decrease in the number of incidents and 4.4 percent increase in the number of victims as compared to the previous reporting period during which HRD documented 266 incidents of violations/abuses affecting 365 victims.

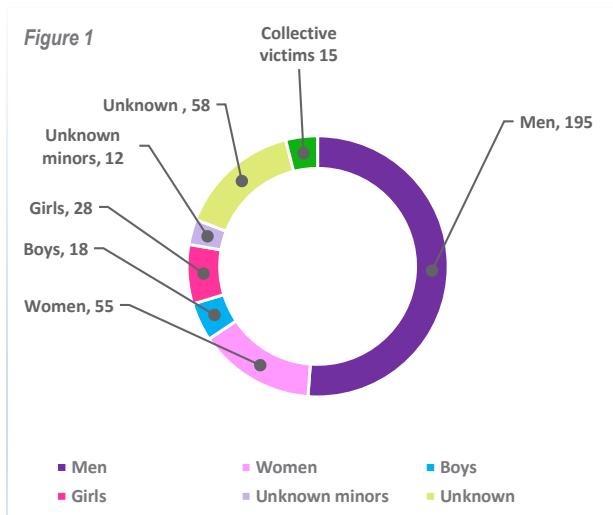

Armed groups were responsible for 159 incidents which affected 282 victims while State actors, mainly members of the Internal Security Forces (ISF) were responsible for 75 incidents affecting 99 victims, mostly cases of arbitrary detention caused by the failure to respect the legal period for holding suspects.

The most recurrent violations recorded during the month of March were killings, death threats, conflict-related sexual violence, cruel and inhuman treatment, arbitrary detention, arbitrary deprivation of liberty, illegal taxation, abductions, restrictions of the right to freedom of movement, appropriation, destruction/looting of property, recruitment and use of children by armed groups and denial of humanitarian access.
