**United Nations Special Coordinator for Lebanon, Michael C. Williams
Statement following Meeting with Minister of Foreign Affairs Adnan Mansour
Beirut, Lebanon**

Monday, 18 July 2011

I just had a very good meeting with the Foreign Minister, H.E. Adnan Mansour.

I told the minister that we will be travelling to New York on Tuesday for a meeting of the Security Council on Thursday the 21st of July, which will discuss Security Council Resolution 1701.

I warmly welcome the personal commitment of the Foreign Minister and of the new government to Security Council Resolution 1701. I was also very pleased on Saturday to accompany Prime Minister Mikati when he visited Naqoura and met with UNIFIL. That was a very important demonstration of the new government's support for UNIFIL and 1701.
