compliance with the Agreement by the faction leaders and proposed possible measures against the factions in the event of non-compliance,

Having considered the report of the Secretary-General,⁸

Deeply concerned about the adverse effects of the protracted conflict on the socio-economic development of Liberia, particularly the attacks against civilians, the looting of property and the destruction of infrastructure throughout the country, including the capital, as a result of the outbreak of hostilities on 6 April 1996, and the urgent need to restore peace and stability to facilitate economic recovery and the rehabilitation and reconstruction of basic sectors of the country,

Acknowledging the efforts of Mrs. Ruth Sando Perry, Chairman of the Council of State, to govern on behalf of the people of Liberia,

Noting with concern that the lack of adequate logistics and security guarantees from the Liberian factions continues to impair the delivery of relief assistance, particularly in the areas not yet under the control of the Economic Community of West African States Monitoring Group, thereby hampering the transition from emergency to development activities,

Commending the concerted and determined efforts of the Economic Community of West African States to restore peace, security and stability in Liberia,

1. Expresses its gratitude to all States and intergovernmental and non-governmental organizations that have rendered assistance to the Liberian National Transitional Government in its relief and rehabilitation activities, and urges that such assistance be continued;

2. Calls upon all States and intergovernmental and non-governmental organizations to continue to provide Liberia with technical, financial and other assistance for the repatriation and resettlement of Liberian refugees, returnees and displaced persons and the rehabilitation of combatants so as to facilitate the restoration of peace and normalcy in Liberia;

3. Reiterates its appeal to all States to contribute generously to the Trust Fund for Liberia established by the Secretary-General, inter alia, to assist the Economic Community of West African States Monitoring Group to fulfil its mandate and to provide assistance for the reconstruction of Liberia;

4. Deplores all attacks against and intimidation of personnel of the United Nations, its specialized agencies, non-governmental organizations and the Economic Community of West African States Monitoring Group, as well as the looting of their equipment, supplies and personal property;

5. Emphasizes the urgent need for all parties and factions and their leaders in Liberia to respect fully the security and safety of all personnel of the United Nations, its specialized agencies, non-governmental organizations and the Economic Community of West African States Monitoring Group by ensuring their complete freedom of movement throughout Liberia and to

Reaffirming Economic and Social Council resolution 1996/32 of 25 July 1996,

Aware of the magnitude of the requirements of Lebanon resulting from the extensive destruction of its infrastructure, which is impeding national rehabilitation and reconstruction efforts and adversely affecting economic and social conditions,

Reaffirming the pressing need to continue to assist the Government of Lebanon in the reconstruction of the country and the recovery of its human and economic potential,

/...

Expressing its appreciation of the efforts of the Secretary-General in mobilizing assistance for Lebanon,

Bearing in mind that Mozambique is emerging from a devastating war and that a proper response to address the current situation in the country requires substantial international assistance in a comprehensive and integrated manner and linking, inter alia, resettlement to reintegration

/...

programmes in order to strengthen further the process of national reconstruction and development,

Bearing in mind also the Paris Declaration and the Programme of Action for the Least Developed Countries for the 1990s,⁹ adopted by the Second United Nations Conference on the Least Developed Countries on 14 September 1990,

Noting the mobilization and allocation of resources by States, relevant organizations of the United Nations system and intergovernmental and non-governmental organizations to assist national efforts,

6. Commends all States and intergovernmental and non-governmental organizations that have contributed to mine clearance in Mozambique, and urges those that have a capacity to do so to continue to provide the needed assistance with a view to enabling the Government of Mozambique to develop its national mine clearance capacity within the framework of the ongoing mine clearance programme;

Assistance for the reconstruction and development of Djibouti

The General Assembly,

Recalling its resolution 50/58 F of 12 December 1995 and its previous resolutions on economic assistance to Djibouti,

Recalling also the Paris Declaration and the Programme of Action for the Least Developed Countries for the 1990s,⁹ adopted by the Second United Nations Conference on the Least Developed Countries on 14 September 1990, as well as the mutual commitments undertaken on that occasion and the importance attached to the follow-up to that Conference,

Noting that the economic and social development efforts of Djibouti, which is included in the list of least developed countries, are constrained by the extremes of the local climate, in particular cyclical droughts and torrential rains and floods such as those that occurred in 1989 and 1994 and that the implementation of reconstruction and development programmes, as well as of the demobilization programme, requires the deployment of substantial resources which exceed the real capacity of the country,

Noting with concern that the situation in Djibouti has been made worse by the deteriorating situation in the Horn of Africa and in particular in Somalia, and noting the presence of tens of thousands of refugees and persons displaced from their countries, which has, on the one hand, placed serious strains on the fragile economic, social and administrative infrastructure of Djibouti and, on the other, caused serious security problems in the country,

Noting the difficult economic and financial situation of Djibouti resulting in part from the number of priority development projects that have had to be suspended in view of serious developments in the international situation and in part from the prolonged effects of the previous regional conflicts, notably in Somalia, which have disrupted services, transport and trade and which are draining the State of most of its revenues,

Noting with satisfaction that the Government of Djibouti has begun to implement the structural adjustment programme, and convinced of the necessity to support that financial recovery programme and to take effective measures to alleviate the consequences, in particular the social consequences, of that adjustment policy, which is in the course of implementation, in order that the country may achieve appreciable economic results,

/...

Noting with gratitude the support provided to relief and rehabilitation operations by various countries and by intergovernmental and non-governmental organizations,

Taking note of the report of the Secretary-General,¹¹

1. Declares its solidarity with the Government and people of Djibouti, who have had to face critical challenges owing, in particular, to the scarcity of natural resources and the continuing critical situation in the Horn of Africa, especially in Somalia;
2. Welcomes the implementation by the Government of Djibouti of the structural adjustment programme and, in that context, appeals to all Governments, international financial institutions, the specialized agencies of the United Nations system and non-governmental organizations to respond in an appropriate manner, as a matter of urgency, to the financial and material needs of the country;
3. Requests the donor community to participate actively and generously in the round table on Djibouti which will be organized in February 1997 in order to help that country to rebuild its economy, restore its basic and social infrastructure and develop its human resources;
4. Considers that implementation of the demobilization programme and of the national rehabilitation plan and reinforcement of democratic institutions require appropriate assistance in the form of financial and material support;
5. Expresses its appreciation to the Secretary-General for his efforts to make the international community aware of the difficulties faced by Djibouti;
6. Requests the Secretary-General to continue his efforts to mobilize the resources necessary for an effective programme of financial, technical and material assistance to Djibouti;
7. Also requests the Secretary-General to prepare a study of the progress made with regard to economic assistance to Djibouti, in time for the question to be considered by the General Assembly at its fifty-second session.

Special emergency economic assistance to the Comoros

The General Assembly,

Noting the fact that, on 28 September 1995, an army of international mercenaries invaded the Comoros, overthrew the President of the Republic,

¹¹ A/51/213.

disrupted the constitutional order and, in so doing, the State institutions, as well as the political, economic and social order of the country,

Noting also that the unfavourable situation of the Comoros, which is on the list of least developed countries, is aggravated by several important factors, including its physical distance from its trading partners, the scarcity of natural resources, the diminutive size of the domestic market, the fall in prices of its export products and the poverty of its soil,

Noting further the economic and social trauma caused by that invasion and the material and structural damage suffered by the country during those events,

Aware of the efforts made by the Government and people of the Comoros to assist the most affected and deprived sectors of the population,

Considering, in particular, that in order to respond to those urgent humanitarian needs the Government of the Comoros, in the absence of other resources, had to reallocate as a matter of great urgency the major part of the budget required for the functioning of the State and the financial resources normally devoted to vital economic and social programmes,

Noting, nonetheless, the insufficiency of means available to the Government to execute programmes of reconstruction and development essential for the survival of the country,

1. Expresses its gratitude to the States and intergovernmental and non-governmental organizations which have provided assistance to the Government of the Comoros for the rehabilitation of the country, and appeals for the continuation of such assistance;

2. Stresses that the financial resources available remain nonetheless insufficient vis-à-vis the basic needs to ensure the emergence of the country from its transitional phase into a development phase;

3. Urgently appeals to all States and all appropriate international organizations, including United Nations bodies and specialized agencies, to provide, in consultation with the Government of the Comoros, assistance to the Comoros in repairing the damage caused by the act of aggression;

4. Requests the Secretary-General to furnish all necessary assistance in accordance with paragraph 3 above and asks him to dispatch to Moroni as soon as possible a multidisciplinary humanitarian and technical assessment mission in order to carry out a detailed study of the needs of the country in terms of assistance;

5. Requests all Member States and donor bodies, as well as the specialized agencies and other organizations of the United Nations, to grant to the Comoros all necessary humanitarian, financial, economic and technical assistance, in order to enable it to achieve national reconstruction and sustainable development;

/...

6. Requests the Secretary-General to report to the General Assembly at its fifty-third session on the implementation of the present resolution.

Assistance for humanitarian relief and the economic and social rehabilitation of Somalia

The General Assembly,

Recalling its resolutions 43/206 of 20 December 1988, 44/178 of 19 December 1989, 45/229 of 21 December 1990, 46/176 of 19 December 1991, 47/160 of 18 December 1992, 48/201 of 21 December 1993, 49/21 L of 20 December 1994 and 50/58 G of 20 December 1995 and the resolutions and decisions of the Economic and Social Council on emergency assistance to Somalia,

Recalling also Security Council resolution 733 (1992) of 23 January 1992 and all subsequent relevant resolutions, in which the Council, inter alia, urged all parties, movements and factions in Somalia to facilitate the efforts of the United Nations, its specialized agencies and humanitarian organizations to provide urgent humanitarian assistance to the affected population in Somalia and reiterated the call for the full respect of the security and safety of the personnel of those organizations and the guarantee of their complete freedom of movement in and around Mogadishu and other parts of Somalia,

Noting with appreciation the continued efforts made by the Secretary-General to assist the Somali people in their efforts to promote peace, stability and national reconciliation,

Noting with concern that political instability and the absence of central authority continue to characterize Somalia and that, while the environment has become conducive to some reconstruction and development-oriented work in certain parts of the country, the humanitarian and security situation has worsened in other parts,

Reaffirming the importance it attaches to the need for effective coordination and cooperation among the United Nations agencies and their partners,

Taking note of the report of the Secretary-General¹² on assistance for humanitarian relief and the economic and social rehabilitation of Somalia,

Deeply appreciative of the humanitarian assistance and rehabilitation support rendered by a number of States to alleviate the hardship and suffering of the affected Somali population,

¹² A/51/315.

Recognizing that, while the humanitarian situation remains fragile in some parts, there is a need to continue the ongoing process of rehabilitation and reconstruction alongside the process of national reconciliation, without prejudice to the provision of emergency relief assistance wherever and whenever required, as security allows,

Noting with appreciation the efforts of the United Nations system focusing on working directly with Somali communities, whenever possible, in the absence of a recognized national government, and welcoming the efforts of the United Nations, in partnership with Somali counterparts at the local level and non-governmental organizations, to formulate a programme combining humanitarian and developmental approaches, given the varying conditions in different areas of the country,

Re-emphasizing the importance of the further implementation of its resolution 47/160 to rehabilitate basic social and economic services at the local level throughout the country,

1. Expresses its gratitude to all States and the intergovernmental and non-governmental organizations that have responded to the appeals of the Secretary-General and others by extending assistance to Somalia;

2. Expresses its appreciation to the Secretary-General for his continued and tireless efforts to mobilize assistance to the Somali people;

3. Welcomes the ongoing efforts of the United Nations, the Organization of African Unity, the League of Arab States, the Organization of the Islamic Conference, the Intergovernmental Authority on Development of the countries of the Horn of Africa and the States members of the Movement of Non-Aligned Countries to resolve the situation in Somalia;

4. Also welcomes the strategy of the United Nations focusing on the implementation of community-based interventions aimed at rebuilding local infrastructures and increasing the self-reliance of the local population, and the ongoing efforts by the United Nations agencies, their Somali counterparts and their partner organizations to establish and maintain close coordination and cooperation mechanisms for the implementation of relief, rehabilitation and reconstruction programmes;

5. Emphasizes the principle that the Somali people, in particular at the local level, have the primary responsibility for their own development and for the sustainability of rehabilitation and reconstruction assistance programmes, and reaffirms the importance it attaches to the creation of workable arrangements for collaboration between the United Nations system and its partner organizations and their Somali counterparts at the local level for the effective execution of rehabilitation and development activities in those parts of the country where peace and security prevail;

6. Urges all States and relevant intergovernmental and non-governmental organizations to continue the further implementation of its resolution 47/160 so as to assist the Somali people to embark on the rehabilitation of basic social and economic services, as well as institution-building aimed at the restoration of civil administration at the local level in all those parts of the country where peace, security and stability prevail;

/...

7. Appeals to all the Somali parties concerned to terminate hostilities and to engage in a national reconciliation process that allows for transition from relief to reconstruction and development;

8. Calls upon all parties, movements and factions in Somalia to respect fully the security and safety of personnel of the United Nations and its specialized agencies and of non-governmental organizations, and to guarantee their complete freedom of movement throughout Somalia;

9. Calls upon the Secretary-General to continue to mobilize international humanitarian, rehabilitation and reconstruction assistance for Somalia;

10. Calls upon the international community to provide continued and increased assistance in response to the United Nations Consolidated Inter-Agency Appeal for relief, rehabilitation and reconstruction assistance for Somalia covering the period October 1996 to December 1997;

11. Requests the Secretary-General, in view of the critical situation in Somalia, to take all necessary measures for the implementation of the present resolution, and to report thereon to the General Assembly at its fifty-second session.

International assistance to Rwanda for the reintegration of returning refugees, the restoration of total peace, reconstruction and socio-economic development

The General Assembly,

Recalling its resolutions 48/211 of 21 December 1993, entitled "Emergency assistance for the socio-economic rehabilitation of Rwanda", 49/23 of 2 December 1994, entitled "Emergency international assistance for a solution to the problem of refugees, the restoration of total peace, reconstruction and socio-economic development in war-stricken Rwanda", and 50/58 L of 22 December 1995, entitled "Situation in Rwanda: international assistance for a solution to the problem of refugees, the restoration of total peace, reconstruction and socio-economic development in Rwanda",

Taking into consideration the need for continued humanitarian assistance to support the ongoing process of the voluntary repatriation, resettlement and reintegration of returning refugees,

Emphasizing the need for, inter alia, an infusion of significant material and financial resources in Rwanda in order to create conditions for sustainable peace and development,

Conscious that continued technical assistance and advisory services, as well as other assistance, is required to assist the Government of Rwanda in reconstructing the social, legal and economic infrastructure of Rwanda,

/...

Recognizing, inter alia, that the Peace Agreement between the Government of the Rwandese Republic and the Rwandese Patriotic Front,¹³ signed at Arusha, United Republic of Tanzania, on 4 August 1993, as well as the recently established Commission for National Reconciliation, provide an appropriate framework for national reconciliation,

Expressing its gratitude to those States and intergovernmental and non-governmental organizations which have responded positively and continue to respond positively to the humanitarian and development needs of Rwanda, and to the United Nations, which has mobilized and coordinated the distribution of humanitarian assistance,

Welcoming the meeting on refugee reintegration in the Great Lakes region, convened at Geneva on 23 November 1996,

Welcoming also the manner in which Rwanda has handled the massive and sudden repatriation of refugees from eastern Zaire and Burundi, and stressing the need for the Government of Rwanda to continue its efforts to support the voluntary repatriation, resettlement and reintegration of returning refugees,

1. Congratulates all relevant United Nations agencies, funds and programmes for their efforts to draw the attention of the international community to the humanitarian and development needs of Rwanda, requests them to provide all possible assistance and encourages them to coordinate with the Government of Rwanda and the coordinator of United Nations activities in Rwanda in order to address the emergency and long-term development needs of Rwanda, as presented at Geneva by the Government of Rwanda on 23 November 1996, in the programme for the resettlement and reintegration in the context of the present massive return of refugees;

2. Welcomes the commitment of the Government of Rwanda to cooperate with and to take all necessary measures to ensure the safety and security of all humanitarian personnel, including personnel of non-governmental organizations, operating in the country;

3. Urges all States, United Nations organizations and specialized agencies, as well as other intergovernmental and non-governmental organizations and the multilateral financial and development institutions, to continue to assist Rwanda in the resettlement and reintegration of refugees and other vulnerable groups in the context of the national reconciliation process, and in the rehabilitation efforts in the following priority areas: education, health, justice, security and public infrastructure;

4.
