Assistance for the reconstruction and development of El Salvador

The General Assembly,

Considering the resolutions recognizing the importance of international cooperation for El Salvador and urging Member States and international institutions to continue to provide assistance to the Government of El Salvador in consolidating peace, democracy and development in the country, particularly resolutions 50/58 C of 12 December 1995 and 51/199 of 17 December 1996,

Having considered the report of the Secretary-General on assistance for the reconstruction and development of El Salvador,² which describes activities undertaken with a view to achieving those goals, and the report of the Secretary-General on the assessment of the peace process in El Salvador,³ which stresses the implementation of the commitments laid down in the Peace Agreements and the progress and profound transformation that have taken place in the country since 1992,

Noting with satisfaction the renewed expression by the Government of El Salvador and all political forces of their political will to consolidate peace and development in a complex context and the efforts to develop programmes and projects of economic and social benefit aimed at the maintenance and consolidation of peace, the strengthening of democracy and sustainable development,

Recognizing that the reintegration of former combatants and demobilized members of the armed forces continues to be one of the most complex aspects of the social and economic commitments and that the sustainability of any such programme is linked to broader challenges, such as poverty relief, employment generation, social integration, public security and efficient, transparent and speedy administration of justice,

Recognizing also that, in spite of national efforts and the support given by the international community, the implementation of priority political, economic, social and environmental programmes and projects in the process of consolidating peace continues to be affected by, *inter alia*, the limited availability of financial resources, delays in the disbursement of internal and external funds, lack of continuity, deficiencies in the implementation of other initiatives having an impact on the implementation of a number of projects and by the special characteristics of a complex process,

1. *Takes note with approval* of the reports of the Secretary-General;
2. *Again expresses its gratitude* to the organs, organizations, funds and programmes of the United Nations system, to the donor community and to international development and financing institutions, both governmental and non-governmental, for the technical and financial assistance they have provided to El Salvador to execute programmes and projects for the implementation of the social and economic commitments and the strengthening of democracy, in support of and as a complement to efforts to consolidate peace;
3. *Reaffirms* that the continuation of programmes for the strengthening of democratic institutions and the promotion of sustainable development constitute the collective goals, aspirations and needs of the country in maintaining and advancing the consolidation of peace, democracy and sustainable development in El Salvador;
4. *Urges* the Government of El Salvador and all political forces to make every effort to support the development of medium-term and long-term national programmes and strategies, particularly social welfare projects, designed to improve the lives of the most vulnerable segments of the population;
5. *Recognizes* the need to continue to respond to the situation in El Salvador and the need for international support and cooperation as a complement to national efforts to promote the consolidation of a fully democratic State;
6. *Reaffirms* that external cooperation plays an important role in the consolidation of the peace process, the strengthening of democracy and sustainable development in El Salvador, and consequently appeals to the international community, particularly to the relevant organs of the United Nations system, international financial organizations and donor countries, which have contributed so much to the profound changes

achieved in El Salvador, to continue to provide political, technical and financial support for achieving the goals, aspirations and needs of the Salvadoran nation;

7. *Requests* the Secretary-General to report to the General Assembly at its fifty-fourth session on the implementation of the present resolution, and decides to consider at that session the question of assistance and cooperation for the sustainable development of El Salvador.

Assistance for the reconstruction and development of Djibouti

The General Assembly,

Recalling its resolution 51/30 E of 5 December 1996 and its previous resolutions on economic assistance to Djibouti,

Recalling also the Paris Declaration and the Programme of Action for the Least Developed Countries for the 1990s,¹ adopted by the Second United Nations Conference on the Least Developed Countries on 14 September 1990, as well as the mutual commitments undertaken on that occasion and the importance attached to the follow-up to that Conference,

Noting that the economic and social development efforts of Djibouti are constrained by the extremes of the local climate, in particular cyclical droughts and torrential rains and floods such as those that occurred in 1989, 1994 and, more recently, in October and November 1997, and that the implementation of

¹⁴ See DP/1998/1, paras. 193-196.

reconstruction and development programmes, as well as of the demobilization programme, requires the deployment of substantial resources which exceed the real capacity of the country,

Conscious that Djibouti is included in the list of least developed countries and that it is ranked 162nd out of the 175 countries studied in the *Human Development Report 1997*,¹⁵

Noting that the situation in Djibouti has been made worse by the deteriorating situation in the Horn of Africa and in particular in Somalia, and noting also the presence of tens of thousands of refugees and persons displaced from their countries, which has placed serious strains on the fragile economic, social and administrative infrastructure of Djibouti and caused security problems in the country, in particular in the city of Djibouti,

Noting with concern that a number of priority projects have been suspended because of the decline in financial resources and because of the devastating effects of the incessant conflicts in the region,

Emphasizing that there is an urgent need to provide financial support in the areas of demobilization, reconstruction and rehabilitation of the regions affected by civil strife, with a view to strengthening peace and stability in the country,

Noting with satisfaction that the Government of Djibouti has begun to implement a structural adjustment programme, and convinced of the necessity to support that financial recovery programme and to take effective measures to alleviate the consequences, in particular the social consequences, of the adjustment policy being implemented, so that the country may achieve lasting economic results,

Noting with gratitude the support provided to relief and rehabilitation operations by various countries and by intergovernmental and non-governmental organizations,

Taking note of the report of the Secretary-General,¹⁶

1. *Declares its solidarity* with the Government and people of Djibouti, who continue to face critical challenges owing, in particular, to the scarcity of natural resources and the continuing critical situation in the Horn of Africa, especially in Somalia;

2. *Welcomes* the implementation by the Government of Djibouti of the structural adjustment programme and, in that context, appeals to all Governments, international financial institutions, the specialized agencies of the United Nations system and non-governmental organizations to respond in an appropriate manner, as a matter of urgency, to the financial and material needs of the country;

3. *Expresses its gratitude* to the States and intergovernmental and international organizations which pledged to provide financial and material assistance at the round table on Djibouti which was held at Geneva on 29 and 30 May 1997;

4. *Considers* that implementation of the demobilization programme and of the national rehabilitation plan and reinforcement of democratic institutions require appropriate assistance in the form of financial and material support;

5. *Expresses its appreciation* to the Secretary-General for his efforts to make the international community aware of the difficulties faced by Djibouti;

¹⁵ Published for the United Nations Development Programme by Oxford University Press, New York, 1997.

¹⁶ A/52/434.

6. *Requests* the Secretary-General to continue, in close cooperation with the Government of Djibouti, his efforts to mobilize the resources necessary for an effective programme of financial, technical and material assistance to Djibouti;

7. *Also requests* the Secretary-General to prepare a study of the progress made with regard to economic assistance to Djibouti, in time for the question to be considered by the General Assembly at its fifty-third session.

Assistance for humanitarian relief and the economic and social rehabilitation of Somalia

The General Assembly,

Recalling its resolutions 43/206 of 20 December 1988, 44/178 of 19 December 1989, 45/229 of 21 December 1990, 46/176 of 19 December 1991, 47/160 of 18 December 1992, 48/201 of 21 December 1993, 49/21 L of 20 December 1994, 50/58 G of 20 December 1995 and 51/30 G of 13 December 1996 and the resolutions and decisions of the Economic and Social Council on emergency assistance to Somalia,

Recalling also Security Council resolution 733 (1992) of 23 January 1992 and all subsequent relevant resolutions, in which the Council, *inter alia*, urged all parties, movements and factions in Somalia to facilitate the efforts of the United Nations, its specialized agencies and humanitarian organizations to provide urgent humanitarian assistance to the affected population in Somalia and reiterated the call for the full respect of the security and safety of the personnel of those organizations and the guarantee of their complete freedom of movement in and around Mogadishu and other parts of Somalia,

Noting the cooperation between the United Nations, the Organization of African Unity, the League of Arab States, the European Union, the Organization of the Islamic Conference, the countries of the Intergovernmental Authority on Development, the Movement of Non-Aligned Countries and others in their efforts to resolve the humanitarian, security and political crisis in Somalia,

Noting with appreciation the continued efforts made by the Secretary-General to assist the Somali people in their efforts to promote peace, stability and national reconciliation,

Noting with concern that the absence of central authority and effective civil institutions that characterizes Somalia continues to impede sustained comprehensive development and that, while the environment has become conducive to some reconstruction and development-oriented work in certain parts of the country, the humanitarian and security situation has remained fragile in other parts,

Deeply concerned that intermittent drought and heavy rains which caused river flooding and consequent severe devastation, coupled with the dire economic situation and persistent civil conflict, have seriously impaired the traditional coping mechanisms of the people in some parts of Somalia and have aggravated the increasingly fragile food security situation in the country, worsening the overall humanitarian situation,

Welcoming the joint strategy for efficient and targeted assistance and the framework for collaboration developed and adopted by the United Nations and non-governmental organizations, and reaffirming the importance it attaches to the need for effective coordination and cooperation among the United Nations agencies and their partners,

Taking note of the report of the Secretary-General on assistance for humanitarian relief and the economic and social rehabilitation of Somalia,¹⁷

Deeply appreciative of the humanitarian assistance and rehabilitation support rendered by a number of States to alleviate the hardship and suffering of the affected Somali population,

Recognizing that, while the humanitarian situation remains fragile in some parts, there is a need to continue the ongoing rehabilitation and reconstruction process alongside the national reconciliation process, without prejudice to the provision of emergency relief assistance wherever and whenever required, as security allows,

Noting with appreciation the efforts of the United Nations system aimed at working directly with Somali communities, whenever possible, in the absence of a recognized national government, and welcoming the continuing focus of the United Nations, in partnership with Somali elders, other local leaders and skilled local counterparts at the grass-roots level, as well as non-governmental organizations, on a programme of assistance combining humanitarian and developmental approaches, given the varying conditions in different areas,

Re-emphasizing the importance of the further implementation of its resolution 47/160 to rehabilitate basic social and economic services at local and regional levels throughout the country,

1. *Expresses its gratitude* to all States and the intergovernmental and non-governmental organizations that have responded to the appeals of the Secretary-General and others by extending assistance to Somalia;

2. *Expresses its appreciation* to the Secretary-General for his continuing and tireless efforts to mobilize assistance to the Somali people;

3. *Welcomes* the ongoing efforts of the United Nations, the Organization of African Unity, the League of Arab States, the European Union, the Organization of the Islamic Conference, the countries of the Intergovernmental Authority on Development, the Movement of Non-Aligned Countries and others to resolve the situation in Somalia;

4. *Also welcomes* the strategy of the United Nations focusing on the implementation of community-based interventions aimed at rebuilding local infrastructures and increasing the self-reliance of the local population, and the ongoing efforts by the United Nations agencies, their Somali counterparts and their partner organizations to establish and maintain close coordination and cooperation mechanisms available for the implementation of relief, rehabilitation and reconstruction programmes;

5. *Emphasizes* the principle that the Somali people, in particular at the local level, have the primary responsibility for their own development and for the sustainability of rehabilitation and reconstruction assistance programmes, and reaffirms the importance it attaches to the creation of workable arrangements for collaboration between the United Nations system and its partner organizations and their Somali counterparts for the effective execution of rehabilitation and development activities in those parts of the country where peace and security prevail;

6. *Urges* all States and intergovernmental and non-governmental organizations concerned to continue the further implementation of its resolution 47/160 so as to assist the Somali people to embark on the rehabilitation of basic social and economic services, as well as institution-building aimed at the restoration of civil administration at the local level in all those parts of the country where peace and security prevail;

7. *Appeals* to all States and relevant intergovernmental and non-governmental organizations to provide emergency disaster relief assistance, including food, medical and shelter supplies, as well as logistical support

¹⁷ A/52/532.

facilities to reach the segment of the population affected by the recent severe floods, to rescue those stranded by water and to curb the impact of potential health and economic consequences;

8. *Also appeals* to all the Somali parties concerned to seek peaceful means for resolving differences and to redouble their efforts to achieve national reconciliation that allows for transition from relief to reconstruction and development;

9. *Calls upon* all parties, movements and factions in Somalia to respect fully the security and safety of personnel of the United Nations and its specialized agencies and of non-governmental organizations, and to guarantee their complete freedom of movement throughout the country;

10. *Calls upon* the Secretary-General to continue to mobilize international humanitarian, rehabilitation and reconstruction assistance for Somalia;

11. *Calls upon* the international community to provide continuing and increased assistance in response to the United Nations Consolidated Inter-Agency Appeal for relief, rehabilitation and reconstruction assistance for Somalia covering the period from October 1997 to December 1998;

12. *Requests* the Secretary-General, in view of the critical situation in Somalia, to take all necessary measures for the implementation of the present resolution, and to report thereon to the General Assembly at its fifty-third session.
