RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the Fifth Committee (A/54/897)]

54/267. Financing of the United Nations Interim Force in Lebanon

The General Assembly,

Reaffirming its resolutions 51/233 of 13 June 1997, 52/237 of 26 June 1998 and 53/227 of 8 June 1999,

Having considered the reports of the Secretary-General on the financing of the United Nations Interim Force in Lebanon and the related reports of the Advisory Committee on Administrative and Budgetary Questions,

Bearing in mind Security Council resolution 425 (1978) of 19 March 1978, by which the Council established the United Nations Interim Force in Lebanon, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 1288 (2000) of 31 January 2000,

Recalling its resolution S-8/2 of 21 April 1978 on the financing of the Force and its subsequent resolutions thereon, the latest of which was resolution 53/227,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,
Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General continues to face difficulties in meeting the obligations of the Force on a current basis, including reimbursement to current and former troop-contributing States,

Concerned also that the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have been used to meet expenses of the Force in order to compensate for the lack of income resulting from non-payment and late payment by Member States of their contributions,

1. Takes note of the status of contributions to the United Nations Interim Force in Lebanon as at 30 April 2000, including the contributions outstanding in the amount of 122.5 million United States dollars, representing some 4 per cent of the total assessed contributions from the inception of the Force to the period ending 30 June 2000, notes that some 18 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure payment of their outstanding assessed contributions;

2. Expresses its deep concern that Israel did not comply with General Assembly resolutions 51/233, 52/237 and 53/227;

4. Expresses its appreciation to those Member States which have paid their assessed contributions in full;

5. Expresses concern about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

6. Urges all other Member States to make every possible effort to ensure payment of their assessed contributions to the Force in full and on time;

7. Expresses concern at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;
8. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

11. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,\(^3\) and requests the Secretary-General to ensure their full implementation;

12. *Requests* the Secretary-General to take all necessary action to ensure that the Force is administered with a maximum of efficiency and economy;

13. *Also requests* the Secretary-General, in order to reduce the cost of employing General Service staff, to continue efforts to recruit local staff for the Force against General Service posts, commensurate with the requirements of the Force;

14. *Reiterates its request* to the Secretary-General to take the necessary measures to ensure the full implementation of paragraph 8 of General Assembly resolution 51/233, paragraph 5 of resolution 52/237 and paragraph 11 of resolution 53/227, stresses once again that Israel shall pay the amount of 1,284,633 dollars resulting from the incident at Qana on 18 April 1996, and requests the Secretary-General to report on this matter to the Assembly at its fifty-fifth session;

15. *Decides* to appropriate to the Special Account for the United Nations Interim Force in Lebanon the amount of 146,833,694 dollars gross (141,889,841 dollars net) for the maintenance of the Force for the period from 1 July 2000 to 30 June 2001, inclusive of the amount of 6,967,059 dollars gross (5,895,590 dollars net) for the support account for peacekeeping operations and the amount of 1,089,216 dollars gross (969,161 dollars net) for the United Nations Logistics Base;

18.
