Statement Following Meeting with Mr. Ammar Moussawi, head of the International  
Relations Department of Hizbullah  
Beirut, Lebanon**

Good morning

I had a meeting today with Sayyed Ammar Moussawi. It is in my capacity as ad interim Special Coordinator for Lebanon. It falls within a series of meetings which I am undertaking with all concerned parties before the presentation to the Security Council of the United Nations on the progress on the implementation of resolution 1701.

Secretary-General Ban Ki-moon will be submitting his report to the Security Council this month and it was of course extremely important that we have an opportunity to speak with Hizbullah to have their perspective on the different issues. We had an opportunity to have a very friendly and frank exchange of views about all of the issues. I am very grateful to Sayyed Moussawi for his availability and the content of the meeting was of course very enriching.

Thank you.
